VOL. I · HOLIDAY MMXXVI | CHRISTMAS IN THE WEST EDITION | COMPLIMENTARY

CHRISTMAS *in the* WEST

A holiday collection inspired by winter nights, glowing windows, fresh cut trees and Christmas traditions made to last.

CHRISTMAS, OUT WEST

THERE'S NO PLACE LIKE THE WEST FOR CHRISTMAS.

Out West, Christmas has never needed much fuss.

A tree brought home in the cold. Lights glowing against an early winter sky. Something warm on the stove. Boots by the door. Family coming home. Christmas in the West was created around those moments. Fragrance for the traditions we return to year after year, and the ones we're still making. This season we've gathered old favorites, new gifts and a few things we've never offered before.

From our corner of the West to yours, Merry Christmas.
